Triana Energy Receives 2011 Reclamation Award from West Virginia Department of Environmental Protection

CHARLESTON, WV, January 19, 2011 Triana Energy, LLC received a First Place Oil & Gas Driller Reclamation Award today from the West Virginia Division of Environmental Protection, Office of Oil & Gas. Triana was recognized for its exemplary performance in the Water Quality Management Program for the Oil & Gas Industry in planning, construction and reclamation of well sites. This award reflects Triana's commitment to environmental stewardship and recognizes the company's efforts in erosion prevention, wildlife habitat preservation and water quality management related to well site construction and reclamation practices.

Triana Energy is registered under ISO-14001 and OHSAS-18001 recognizing its outstanding management of Environmental, Health and Safety systems. This designation and its maintenance reflect Triana's commitment to the highest standard of conduct and a culture of continuous improvement.
